

The Greenbrier Valley Community Foundation

2021-2022 Mary B. Nickell Grant for Arts and Education Grant

General Information

- 1. What is the Greenbrier Valley Community Foundation Mary B. Nickell Grant?**

The Mary B. Nickell Grant for Arts and Education was established to provide funding for enrichment programs in art in the Greenbrier County public schools. The grant is to be used in Greenbrier County public schools primarily for art supplies. Grants for guest artist visits and visits to see painting and painters will also be considered.
- 2. Who is eligible to apply?**

Art Teachers as well as any artists who would like to present an enrichment program in one of the public schools in Greenbrier County may apply. If the artist is not a public-school teacher, he/she must obtain the permission of a teacher to present the program in that teacher's class. *Each individual may submit two applications for different projects.*
- 3. What is the deadline to apply?**

Applications must be received December 3, 2021 and June 3, 2022, emailed to info@gvfoundation.org.
- 4. If I am awarded a grant, do I receive a check?**

GVCF must make all of its grants to nonprofit organizations. Accordingly, a check will be written either to the school where the program is to be presented or, if the artist works with a nonprofit organization, the check may be written to them. These organizations will then make the appropriate allocations of funds.
